RULES AND REGULATIONS

The following Rules and Regulations govern sewer service by Doe Valley Utilities, Inc., and are in addition to, and superceded by, the Rules and Regulations established by the Public Service Commission.

A. BILLING AND COLLECTION

Bills for service will be mailed no later than the 5th of each month and will be due and payable within 10 days. A late payment penalty will be assessed on any overdue account.

B. DEPOSITS

The Utility may require a deposit not to exceed 2/12ths of the estimated annual bill of the applicant for service. The amount of the deposit will be given in the Rates and Charges section of this tariff. Interest will accrue on the deposit at the rate prescribed by law and will be refunded on an annual basis, unless the customer's bill is delinquent on the anniversary date of the deposit.

If the utility retains the deposit for more than eighteen (18) months, it shall notify customers in writing that, at the customer's request, the deposit will be recalculated every eighteen (18) months based on actual usage of the customer. If the deposit differs by more than ten (10) dollars for residential customers, or by more than ten (10) percent for non-residential customers, from the deposit calculated on actual usage, then the utility shall refund any over-collection and may collect any underpayment. Refunds shall be made either by check or by credit to the customer's bill, except that a utility shall not be required to refund any excess deposit if the customer's bill is delinquent at the time of recalculations.

Waiver of Deposits. The deposit may be waived upon a customer's showing of satisfactory credit or payment history. In determining whether a deposit will be required or waived, the following criteria will be considered:

RULES AND REGULATIONS

- a) Previous payment history with the utility. If the customer has no previous history with the utility, statements from other utilities, banks, etc. may be presented by the customer as evidence of good credit.
- b) Whether the customer has an established income or line of credit.
- c) Length of time the customer has resided or been located in the area.
- d) Whether the customer owns the property to be served.
- e) Whether another customer with a good payment history is willing to sign as a guarantor for an amount equal to the required deposit.

C. SPECIAL NON-RECURRING CHARGES

Late Payment Penalty:

A late payment penalty will be assessed on any account not paid by the due date. The penalty will be assessed only once on any unpaid balance.

D. BANNED SUBSTANCES

No substances shall be placed into the sanitary sewer system which will create a combustible, gaseous, explosive or inflammable condition nor shall any substances or objects be placed or discharged into the system which will not dissolve and which will thus cause an obstruction and clogging within the system. No petroleum products shall be placed or discharged into the system. No storm water or surface water drain shall be connected with the sanitary sewer system nor shall any storm or surface water be otherwise introduced into the system.

RULES AND REGULATIONS

E. SEWER LINES

A sewer service pipe shall not be laid in the same trench with a water pipe.

If a governmental agency requires an inspection of the customer's plumbing, the Utility shall not connect the customer's service pipe until it has received notice from the inspection agency certifying that the customer's plumbing is satisfactory. When necessary to move or relocate facilities, the cost will be paid by the party or parties requesting such relocation.

Any customers ultimately connected under this arrangement shall be charged according to the utility's current approved rates filed with the Public Service Commission.

For purposes of this provision the term "prospective customer" shall mean any person, firm or corporation which expresses an intent to become an ultimate user or customer of the utility at the time of the contribution in aid of construction is charged. A subdivider, developer or contractor is not considered a "prospective customer" for purposes of this section.

F. SEWER FAILURE

The utility is responsible for sewage failure only when in control of the utility's employees. No consumer is paid damages for equipment unless such damages are specifically found to be caused by an act of negligence on the part of the utility or its employees.

G. PROTECTION BY CONSUMER

The Consumer shall protect the equipment of the Utility on his premises and shall not interfere with the Utility's property or permit interference except by duly authorized representatives of the utility.

RULES AND REGULATIONS

H. NOTICE OF TROUBLE

The Consumer shall give immediate notice to the utility of any irregularities or unsatisfactory service and of any known defects known to the consumer.

I. CUSTOMER REQUEST FOR TERMINATION OF SERVICE

Customers who have fulfilled their contract terms and wish to discontinue service must give at least three (3) days notice. The notice may be given in writing, in person or via telephone. Notice to discontinue prior to expiration of contract term will not relieve the customer from any minimum or guaranteed payment.

J. NOTICE OF TROUBLE

Consumer shall give immediate notice to the utility of any irregularities or unsatisfactory service and of any defects known to the customer.

K. MAINTENANCE

The utility may at any time deemed necessary suspend sewage service to any consumer or consumers for the purpose of making repairs, changes or improvements upon any part of its system. The utility shall give reasonable notice of such suspension of service to the consumer.

The utility shall be responsible for the maintenance of that portion of the service line installed by the utility and the consumer shall be responsible for the maintenance of that portion thereof installed by the consumer

L. LINE RELOCATIONS

When necessary to move or relocate facilities, the cost will be paid by party or parties requesting such relocation.

M. CONTRIBUTION IN AID OF CONSTRUCTION (CONNECTION CHARGE)

A contribution in aid of construction, the amount set forth in the rates and charges section of this tariff, will be assessed to a new customer that connects to the system where lines are already in place.

A prospective customer requesting service in an area of the system where lines are not in place will be charged the full cost associated with providing the service.

Any prospective customer, and any subdivider, developer, contractor or other entity which is not a prospective customer, requiring service for a defined undeveloped area that is determined feasible to serve, will be charged the full cost of installation. In such instances the prospective customer, and any subdivider, developer, contractor or other entity which is not a prospective customer will be charged a connection charge/contribution in aid of construction.

If any prospective customer is directly charged a contribution in aid of construction, the contribution shall be subject to Public Service Commission approval. If any subdivider, developer, contractor or other entity which is not a prospective customer is charged a contribution in aid of construction, the contribution shall be subject to negotiation between the utility and subdivider, developer, contractor or other entity which is not a prospective customer, and such charge shall not be subject to Public Service Commission approval.

Any Customers ultimately connected under this arrangement shall be charged according to the utility's current approved rates filed with the Public Service Commission.

For purposes of this provision the term "prospective customer" shall mean any person, firm, or corporation which expresses a present intent to become an ultimate user or customer of the utility at the time of the contribution in aid of construction is charged.
